- I want to skip my loan payment. I understand there is a processing fee. I understand there is a limit of twice a calendar year.
- I understand that deferring the loan payment will result in an extension of the original term and that interest will continue to accrue at the rate disclosed in my original loan agreement.
- I am aware that by skipping this payment the benefit from disability, life and/or GAP insurance may be reduced by the amount of the payment skipped.
- The terms and conditions of my loan agreement remain in force. **TURN IN DEADLINE: June 25,2018**
